Annual Application

The Friends of Florida Black Bear National Scenic Byway (FBBSB) is part of a community-based group formed to promote awareness and appreciation of the Florida Black Bear National Scenic Byway and to take and inspire action to restore, preserve and protect the byway as a natural and community resource.

The primary function of the FBBSB is to provide community based action and advocacy in conformance with its mission. Participation in this organization is open to all members of the public, including residents of the byway, teachers, students, government employees, and members of the community at large who are interested in protecting and improving the FBBSB, its surrounding lands, communities, natural resources, parks and open spaces affiliated with the byway.
