

Florida Black Bear National Scenic Byway

P.O Box 203

Barberville, Fl. 32105

The Byway Story

Florida Black Bear Scenic Byway was designated a Florida Scenic Highway in 2008, and in 2009 it was named a National Scenic Byway, one of only a handful in the state to hold this prestigious natural designation. Florida Black Bear National Scenic Byway links people to the outdoors and the unique communities of the region by affording visitors a place to appreciate and enjoy the scenic, cultural and recreational opportunities of the region. From interpretation centers, kiosks, museums and educational centers, to hands on exploration, there is always something to experience along the Florida Black Bear National Scenic Byway.
